Subject : Notification of Course Registration of FYUGP 6th Semester BA/B.Sc/B.Com programmes in SAMARTH e-Gov Portal

Sir/Madam,

This is to inform you that the Course Registration process for the FYUGP 6th Semester B.A./B.Sc./B.Com. programmes are **live from today i.e. 02nd March, 2026 and will remain active till 20th March, 2026**. Please note that this will be visible only to the colleges to enable them to select the courses offered in the college. This is aimed to increase the efficiency of the entire process of Course Registration and Examination.

It is in the above context that a new method has been tabulated where Colleges need to initially select the various papers/courses offered in the College in a Semester/Programme-wise and then only those papers will be available to the students. A detailed Manual has been annexed herewith in this regard.

You are hereby requested to go through the Manual first and take necessary urgent step to select the courses as made available in the structure as students can start doing Course Registration only after completion of selection of papers/courses by the college.

This is for your information and necessary action please.

User Guide for OU Wise Course Management **Through College/Department Login**

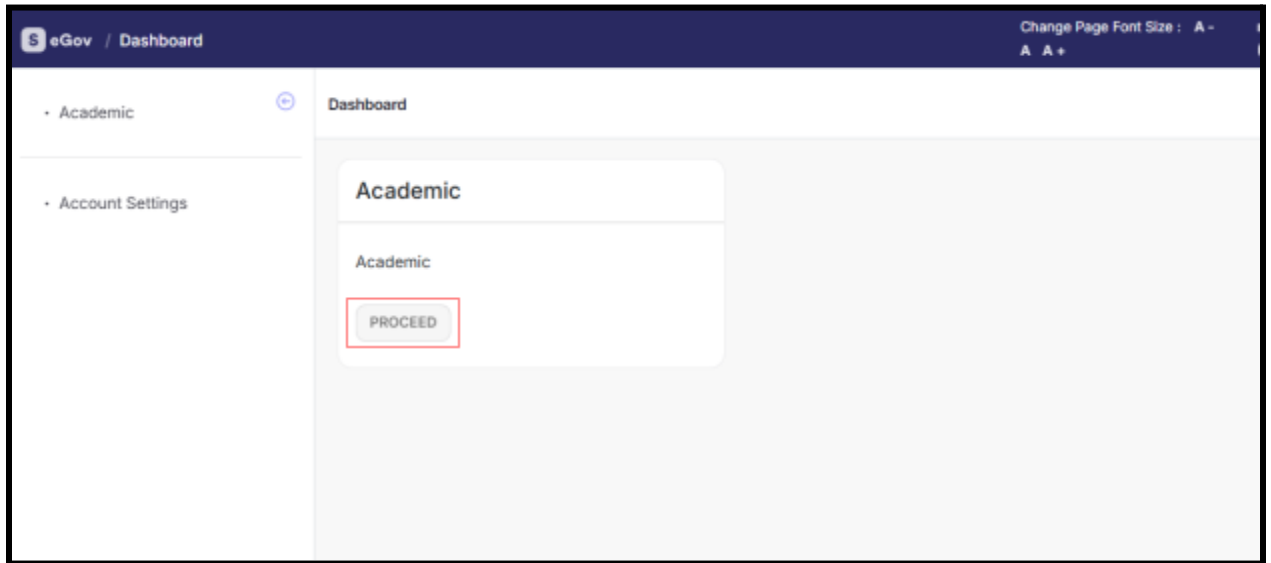

Introduction:-

This document will help colleges create their own course structure based on the course pattern set by the university. By following this process every college can design its course structure according to the courses they offer.

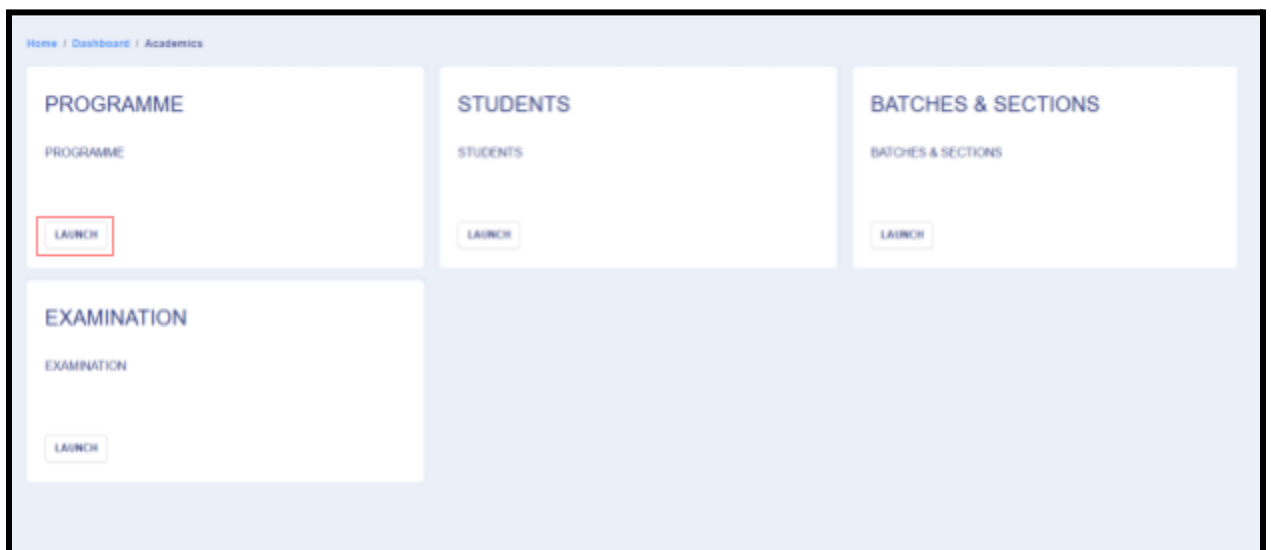

Colleges have the flexibility to organize and manage their courses as per their needs while still following the university guidelines.

A college can remove a course from its course structure only if no student has selected that course. Once even one student selects a course the college cannot remove it from the course structure.

- The college should log in to its **Samarth Portal** account and then click on the **Proceed** button under the Academic section.

- To view the programmes click on the **Launch** button under the Programme Section.

- To define the course structure for any programme the college should click on the **Programme Code** of the respective programme.

If a student has already submitted their course selection and later realizes that they have selected a wrong course, there is a provision for the college to update the student's course without changing their discipline. I understood how to assign this permission to the college so that they can make the required course updates for the student.

1. Login into the samarth portal and then click on the Academic **Proceed Button**.

2. Click on the Launch button under the programme.

3. Click on the short code of the particular programme for which you want to update the student's courses.
